

**Donna M. Duffy, PhD**

University of North Carolina at Greensboro  
Department of Kinesiology and Center for Women’s Health and Wellness  
1408 Walker Ave. - Greensboro, NC 27412  
Email: dmduffy@uncg.edu - Phone: 336-334-3025

**EDUCATION**

**Ph.D.** Sport and Exercise Science/Kinesiology, the University of North Carolina, Greensboro (2007).

**Ed.M.** Department of Curriculum and Instruction, Human Movement and Health Education, Boston University, (1999).

**B.S. (Cum Laude)** Department of Curriculum and Instruction, Human Movement and Health Education, Boston University, (1996).

---

**PROFESSIONAL EXPERIENCE**

- 07/19-present**      **AP Associate Professor**  
School of Health and Human Performance  
Department of Kinesiology  
The University of North Carolina, Greensboro  
Greensboro, NC
- Summer 2019**      **Visiting Research Scientist**  
Female Athlete Program  
Boston Children’s Hospital  
Boston, MA
- Summer 2018**      **Visiting Professor**  
Department of Neurology and CTE/Alzheimer’s Center  
Boston University Medical School  
Boston, MA
- Summer 2018**      **Visiting Scholar**  
Female Athlete Program  
Boston Children’s Hospital  
Boston, MA
- 09/16-01/17**      **Visiting Research Scholar**  
Department of Sport Studies and Physical Education  
University College Cork  
Cork, Ireland
- 08/10-7/19**      **AP Assistant Professor**  
School of Health and Human Performance  
Department of Kinesiology  
The University of North Carolina, Greensboro  
Greensboro, NC

- 08/07-08/10**      **Visiting Lecturer**  
 School of Health and Human Performance  
 Department of Kinesiology (former Exercise and Sport Science)  
 The University of North Carolina, Greensboro  
 Greensboro, NC
- 8/99-7/04**      **Graduate Teaching Assistant**  
 School of Health and Human Performance  
 Department of Exercise and Sport Science  
 The University of North Carolina, Greensboro  
 Greensboro, NC
- 9/96-5/99**      **Graduate Teaching Assistant**  
 School of Education  
 Human Movement Education  
 Boston University  
 Boston, MA

*Public School Teaching Experience*

- 8/96-6/99**      **Physical Education and Health Teacher**  
 Thomas Gardner Elementary School  
 Boston City Public Schools  
 Boston, MA
- 9/97-6/98**      **Physical Education and Health Teacher**  
 Jewish Community Day School  
 Newton, MA
- 10/96-6/97**      **Lead Movement Teacher/ Inclusion Specialist**  
 Claypit Elementary School  
 Wayland, MA
- 9/95-5/97**      **Movement Specialist/Early Childhood Movement Teacher**  
 Dexter Park Children's Center  
 Brookline, MA

*Director Positions*

- 07/20-present**      **Associate Director, Center for Women's Health and Wellness**  
 The University of North Carolina, Greensboro
- 09/11-present**      **Program Director**  
 Undergraduate Sport Coaching Education  
 Department of Kinesiology
- 5/10-7/20**      **Program Director**  
 Program for the Advancement of Girls and Women in Sport and  
 Physical Activity.  
 Center for Women's Health and Wellness  
 The University of North Carolina, Greensboro
- 6/10-12/10**      **Interim Acting Director**  
 Center for Women's Health and Wellness

School of Health and Human Performance  
 The University of North Carolina, Greensboro  
**07/17-present** **Co-Director**  
 Co-Principle Investigator  
 The True Baseline Initiative (TBI)  
 The University of North Carolina, Greensboro  
**01/15-present** **Co-Director**  
 Co-Principle Investigator  
 Behavior and Recovery After Head Impact and Neurotrauma  
 (BRAIN): The Female BRAIN Project  
 The University of North Carolina, Greensboro  
**09/15-02/16** **Research Director**  
 Independent Women's Football League (IWFL)  
 Houston, Texas  
**08/07-05/11** **Leadership Team and Collaborative Research Team**  
 Center for Women's Health and Wellness  
 The University of North Carolina, Greensboro  
**7/04-08/07** **Research Assistant**  
 Center for Women's Health and Wellness  
 The University of North Carolina, Greensboro  
**6/02-8/04** **Community Researcher and Program Coordinator**  
 The United Way of Greater Greensboro and Success @ Schools  
 Greensboro, NC  
**11/14-06/15** **Project Coordinator**  
 Principle Investigator  
 Coaching Coaches: an educational program to eliminate sexually  
 violent language in high school coaching.  
 The University of North Carolina, Greensboro  
**08/11-8/13** **Curriculum Project Coordinator**  
 Collaborator  
 Science of Healthy Living Grant  
 National Institutes of Health (NIH)  
 The University of North Carolina, Greensboro  
**8/99-5/04** **Graduate Coordinator, Project Effort**  
 Department of Exercise and Sport Science  
 The University of North Carolina, Greensboro  
**8/99-5/04** **Mentoring Coordinator (A school-based mentoring program)**  
 Project Effort  
 The University of North Carolina, Greensboro  
**4/03-7/03** **Educational Director and Community Outreach Coordinator**  
 Y.W.C.A. of Greensboro  
 Greensboro, NC  
**1/01-5/02** **Service Learning Field Coordinator**  
 Department of Exercise and Sport Science  
 The University of North Carolina, Greensboro  
**1/96-5/99** **Graduate Supervisor/Mentor**

Boston University's Tuesday/Thursday Program  
Boston University, Boston, MA

*Consulting and Curriculum Development*

- Fall 2009**                    **Health Literacy Consultant**  
School of Education and Glaxo-Smith Cline  
The University of North Carolina, Greensboro
- 9/99-5/00**                    **Curriculum Developer**  
The National Football League (NFL)  
New York, NY
- 8/98-5/99**                    **Program Consultant and Curriculum Developer**  
The Character and Sport Initiative  
Boston University, Boston, MA
- Summer 98 & 99**            **Mental Training Consultant**  
The United States Olympic Training Center, Lake Placid, NY
- 9/97-12/98**                **The NCAA Life Skills Mentoring Program**  
Boston University  
Boston, MA

**RESEARCH**

- 02/18-present**            **Co-Principle Investigator (Co-PI, Dr. Chris Rhea)**  
Tracking head injuries in youth sports.
- 04/18-present**            **Co-Principle Investigator (Co-PI, Dr. Chris Rhea)**  
Understanding the influence of head injuries among female athletes of reproductive age.
- 09/15-present**            **Co-Principle investigator (Co-PI, Dr. Chris Rhea)**  
Are there sex differences in American football player's concussion testing?
- 08/13-present**            **Co-Principle investigator (Co-PI, Dr. Chris Rhea)**  
Neurocognitive and neuromotor performance in female American football players differs from their male counterparts.
- 11/10-present**            **Principal investigator**  
Coaching Coaches: An educational program to increase the positive role that high school coaches play in stopping gender-based interpersonal violence.

*Completed Research Projects*

- 09-11-05/13**            **Principal investigator**  
Does team role and status impact student-athlete by-stander behavior in sexually violent situations?
- 05/09-05/11**            **Co-Principle Investigator (Co-PI, Dr. David Wyrick)**

- An evaluation of beliefs and values on sexual assault and rape myth: the athletes and the coach's perspective.
- 03/10-05/12** **Principal investigator**  
How do they do that? An exploration of how female high school coaches balance their multiple roles while they are "in season".
- 08/08-10/09** **Graduate research assistant (PI, Dr. Paige Hall Smith)**  
Women's College Alumni Study: "A Certain Independence"-A cohort study of Woman's College Alumnae, Center for Women's Health and Wellness, the University of North Carolina, Greensboro
- Summer 2005** **Graduate research assistant (PI, Dr. Paige Hall Smith)**  
Community Network for Breast Cancer Survivorship, Community Needs Assessment, Center for Women's Health and Wellness, the University of North Carolina, Greensboro
- Spring 2005** **Graduate research assistant (PI, Dr. Paige Hall Smith)**  
Home-School Families and Physical Activity-Perceptions and Outcomes, Center for Women's Health and Wellness, the University of North Carolina, Greensboro
- Spring 2005** **Graduate research assistant (PI, Dr. Paige Hall Smith)**  
Improving Well Women Care: A collaboration with Moses Cone Internal Medicine Residency Program, Center for Women's Health and Wellness, the University of North Carolina, Greensboro
- Spring 2003** **Student investigator (PI, Dr. Tom Martinek)**  
Perceived Cognitive and Affective Growth among University Students Involved in a Service-Learning Class, Department of Kinesiology, the University of North Carolina, Greensboro
- Fall 2001** **Student investigator (PI, Dr. Tom Martinek)**  
Mentoring vs. Tutoring: Making a Distinction, Department of Kinesiology, the University of North Carolina, Greensboro
- Fall of 2002** **Student investigator (PI, Dr. Tom Martinek)**  
A Service-Learning Model: A Holistic Approach to Service-Learning in Higher Education, Office of Leadership and Service Learning, the University of North Carolina, Greensboro
- Spring 1999** **Graduate research assistant (PI, Dr. John Cheffers)**  
The Validation of Two Sister Evaluation Tools for Teaching (TPCQ-Teacher Performance Criteria Questionnaire) and Coaching (CPCQ- Coaching Performance Criteria Questionnaire), School of Education, Boston University
- Spring 1998** **Co-investigator (PI, Dr. Eileen Sullivan)**  
The Involvement Levels of Majors and Non-Majors in a Physical Education Setting: Boston University's Tuesday/Thursday Program, School of Education, Boston University
- Fall 1997** **Co-investigator (PI, Dr. John Cheffers)**  
The End of an Era: An Investigation of Forced Transition of Boston University Football Players, School of Education, Boston University

## **PROFESSIONAL PRESENTATIONS**

- June 2018**      **Women in Sport and Exercise Conference (WISE)**  
What we know and what we don't know about female athletes and concussions.  
Staffordshire, England, UK
- September 2017**      **4th International Summit on Female Brain Injury**  
Rome, Italy  
The True Baseline Initiative
- September 2017**      **4th International Summit on Female Brain Injury**  
Rome, Italy  
The Female BRAIN Project
- June 2017**      **North American Society for the Psychology of Sport and Physical Activity**  
Pre-season postural control as a function of sport type, age, and sex.
- May 2017**      **International Association for Physical Education and Sport for Girls and Women 18<sup>th</sup> World Congress**  
“I am just as strong, maybe stronger:” Towards an understanding of why women play tackle football.  
Miami Shores, FL  
San Diego, CA
- June 2016**      **North American Society for the Psychology of Sport and Physical Activity**  
Montreal, Quebec, Canada  
Influence of concussion history on pre-season neuromotor and neurocognitive performance in female American football players.
- February 2016**      **Human Movement Science & Biomechanics Research Symposium, Chapel Hill, NC**  
Balance and cognition comparison between female collision sport athletes and female/male combined contact and collision sport athletes.
- February 2016**      **International Summit on Female Concussion and TBI**  
Washington, D.C.  
Neuromotor performance in female American football players is different than males in a pre-season balance test.
- February 2016**      **International Summit on Female Concussion and TBI**  
Washington DC  
Neurocognitive performance in female American football players differs from their male counterparts.
- October 2015**      Association for Applied Sport Psychology,  
Indianapolis, IN  
Concussion and female athletes in collision sport: A pilot study.
- February 2013**      **Innovations in Domestic and Sexual Violence Research and Practice Conference**  
Greensboro, NC

- April 2013      **American Alliance for Health, Physical Education, Recreation and Dance**  
 Charlotte, NC  
 “Coaching Coaches: Changing coaching language to prevent sexual violence.”

- October 1998** **Kent-Denver Country Day School, Denver, CO**  
 The Character and Sport Initiative, Boston University  
 A presentation to elite, high school student/athletes on goal setting, imagery, and self-talk.
- September 1998** **Association for the Advancement of Applied Sport Psychology (AAASP)**  
**Hyannis, MA**  
 Effects of Forced Transition and Coping Skills with Former Boston University Football Players.

## **GRANT WRITING**

### **External**

#### *Federal level*

- 2019 Behavior and Recovery After Head Impact and Neurotrauma (BRAIN): The Female BRAIN Project. National Institutes of Health, National Institute for Neurological Disorders and Stroke (Parent R01, re-submission). “Role: PI, 5 years, \$3,761,867. Research team: **Donna Duffy (UNCG, Co-I)**, Laurie Wideman (UNCG, Co-I), Jeff Labban (UNCG, Co-I), Katheryn Ackerman (Boston Childrens Hospital / Harvard University, Co-I), Michael Alosco (Boston University, Co-I). Not funded. Resubmission planned for 2021.
- 2019 Retired Female Athletes and Neurotrauma (rFAN)”. National Institutes of Health, National Institute of Neurological Diseases and Stroke (R15). (2020-2023) “Role: Co-PI, 3 years, \$ \$447,153. Research team: **Donna Duffy (PI)**, Jeff Labban (UNCG, Co-I), Michael Alosco (Boston University, Co-I), and Bob Stern (Boston University, Co-I). Submitted in October 2019, not funded. Resubmission planned for October 2020.
- 2018 Risk Factors for Neuropsychiatric Symptoms, Mild Cognitive Impairment, and Alzheimer’s Disease and Related Dementias in Contact Sport Athletes: The *Head Impact and Trauma Surveillance Study* (HITSS) National Institutes of Health, National Institute of Neurological Diseases and Stroke (RO1). (2018-2021). **D. Duffy**, Consultant (PI, Dr. Bob Stern), \$14 million (not funded)

*Foundational level*

- 2019 Tracking Estrogen and Progesterone (TEP) in Female Lacrosse Players after a Concussion” US Lacrosse, Center for Sport Science Research Grant Award, (2019-2020) “Role” Co-I. 1 year, \$38,500. Research team: **Donna Duffy (UNCG, PI)**, Kate Ackerman (Co-I, Boston Children’s Hospital), Jennifer Yourkavitch (UNCG, Co-I), Laurie Wideman (UNCG, Co-I), Ellen Chetwynd (UNCG, Co-I). Submitted in May 2019, not funded.
- 2015 Diagnosis, evaluation, and return-to-play after concussion in women athletes playing full contact American football. Women’s Football Foundation (2015-2016). **D. Duffy (CO-I)** and C. Rhea (CO-I). \$69,000. Funded
- 2011 Conference support grant**  
Principle Investigator  
Program for the Advancement of Girls and Women in Sport and Physical Activity.  
NIH-Office of Women’s Health  
\$30,000  
Not funded
- 2011 Helping NC student-athletes become effective bystanders to prevent sexual violence**  
**D. Duffy (PI)**  
Program for the Advancement of Girls and Women in Sport and Physical Activity.  
Z. Smith Reynolds Foundation  
70,000  
Not funded
- 2010 Coaching Coaches: Sexual Assault Prevention among North Carolina High School Coaches**  
**D. Duffy (PI)**  
Program for the Advancement of Girls and Women in Sport and Physical Activity.  
Z. Smith Reynolds Foundation  
\$60,000  
Funded
- 2006 Women to Women Mentoring Program**  
Center for Women’s Health and Wellness at UNCG.  
D. Duffy (Contributor), PI, Dr. Paige Hall Smith

Komen Foundation  
\$40,000  
Funded

## **Internal**

- 2018**      **Tracking head trauma in youth sports.**  
**D. Duffy, PI** and Dr. Chris Rhea, Co-Principle Investigator  
Giant Steps Grant-Office of Research and Economic Development  
UNCG  
\$25,000  
Funded
- 2018**      **Determining the sex-hormones in head injuries among female athletes of reproductive age.**  
**D. Duffy, PI** and Dr. Chris Rhea, Co-Principle Investigator  
HHS Faculty Grant-Office of Research  
\$10,000  
Not funded
- 2015**      **Concussion effects on neurocognitive and neuromotor performance in female football players.**  
**D. Duffy, PI** and Dr. Chris Rhea, Co-Principle Investigator  
Faculty First Grant  
School of Health and Human Sciences, Office of Research  
UNC Greensboro  
Funded
- 2015**      **Concussion effects on neurocognitive and neuromotor performance in female football players.**  
**D. Duffy, PI** and Dr. Chris Rhea, Co-Principle Investigator  
Faculty First Grant  
School of Health and Human Sciences, Office of Research  
\$10,000  
Funded
