Dear Applicant:
Below please find important information regarding your application to the Undergraduate Speech-Language and Audiology Program at UNC Greensboro.

In order to apply to the program, you must have completed a minimum of 55 credit hours and have earned at least a 3.0 cumulative GPA.

This is a pre-professional program and courses can be taken: 1) to complete your undergraduate degree or 2) as a second-degree student completing the coursework needed to apply to a graduate program. If you fit into one of these categories, an application for review by the undergraduate committee must be submitted by May 15.

**Application process:**

1. Complete the short application form below.

2. Submit official transcripts from EACH and EVERY school you have received college credits from for your application to be considered complete (this includes high school if you received college credits). Transcripts must be emailed to UNCG CSD at: csd-applyundergrad@uncg.edu.

Currently enrolled UNCG students may submit an unofficial transcript for their courses at UNCG. Please wait until your final grades have been submitted/recorded before sending your transcript or your application will be incomplete. Note: A “T” on a transcript is not acceptable. An actual grade is required in order for us to calculate your GPA.

3. If you are a transfer or second-degree student, you must also apply and be accepted to the University of North Carolina Greensboro as well. [Click this link to apply.](#)

If you receive a letter stating that you have been admitted into the program, you may then enroll in CSD undergraduate courses for the Fall semester.
