Do you have data related to the health and wellness of girls and women that you would like to present? Submit your abstracts by February 15th!

There is no fee to register to attend this event. Undergraduate and graduate students and faculty are invited to join us!

Round table discussion topics include:
- Physical activity in health, injury, illness, and disease
- Maternal and reproductive health
- Hormones and energy balance in health, injury, illness, and disease

Including a panel discussion on *Promoting Healthy, Active Lifestyles Across the Lifespan*
