BROWN BAG ZOOM LUNCH “N” LEARN with

Dr. Jessica Obermeyer, PhD – Assistant Professor

and

Sena Crutchley – AP Associate Professor

## "Outcomes of Conversation Group Participation in People with Aphasia"

This presentation will provide information about a research study investigating the effect of participation in an aphasia conversation group. Preliminary results about the impact on quality of life, participation within the community, and overall communication ability in people with aphasia will be discussed.

**Thursday, March 25, 12:30 – 2:00**
