DIETETIC INTERNSHIP APPLICATION PROCEDURES FOR COMPUTER MATCHING PROCESS:

The UNCG Dietetic Internship is Participating in the Centralized Application System for the Spring 2022 Computer Matching Process (DICAS)

- The UNCG Dietetic Internship program is using the on-line centralized internship application, DICAS, which may be accessed at https://portal.dicas.org, e-mail DICASinfo@DICAS.org. DICAS will be available in (approximately) early December 2021 for the Spring 2022 Match. The on-line application must be completed for our program by 11:59 p.m. Central Time on February 15, 2022. There is a fee to use DICAS for the first DI application submitted and a fee for each additional dietetic internship program application.

- When completing the application form, applicants must include the name and contact information (specifically an e-mail address) for each reference. This will trigger an e-mail message requesting completion of a reference form. The form will be completed on-line. Students submitting more than one application will need to use the same individuals as references for each application.

- Applicants who apply to internships using DICAS will be asked to complete a personal statement. Suggested questions to be addressed in the personal statement include:
  o Why do you want to enter the dietetics profession?
  o Discuss experiences that have helped to prepare you for your career,
  o What are your short-term and long-term goals?
  o What are your strengths and weaknesses or areas needing improvement?
  o 1000 Word limit

- Official transcripts from all colleges and universities attended should be sent to DICAS- Transcript Dept
  PO Box 9118
  Watertown, MA 02472

- Applicants must register online for computer matching at www.dnddigital.com and select dietetic internship priority choices by 11:59 p.m. Central Time on February 15, 2022. There is a computer matching fee.

- Submit the UNCG Supplemental Application and $65 application fee (make check payable to Department of Nutrition, UNCG); mail to Dietetic Internship Program, Department of Nutrition, UNC Greensboro, 318 Stone Building, Greensboro, NC 27402-6170, Attn: Sherry Ritter.

- GPA of 3.0 is strongly preferred to be competitive with a minimum of B (3.0) in dietetics courses. The GRE is no longer required.

- Applicants must meet requirements of The UNCG Graduate School for unconditional admission to the UNCG Post-BS Certificate Program: overall GPA ≥ 3.0.

- UNCG Campus Safety Questions must be completed and submitted as part of the UNCG Supplemental Application

- Selection is based on academics, experiences, personal statement, letters of recommendation and interview.
