PEACE ON EARTH

THE ROLE OF RELIGION IN PEACE AND CONFLICT STUDIES

Edited by THOMAS MATYÓK, MAUREEN FLAHERTY,
HAMDESA TUSO, JESSICA SENEHI, and SEAN BYRNE

“This book provides insightful views of the place of religion in peace and conflict studies. Its amazingly wide, yet deep, reports of diverse religions’ approaches to peace and conflict offer specific paths to peacebuilding. The editors have assembled excellent contributors, with great knowledge about and experience with the important topics they examine. Every reader will learn about more and better ways that peace can be advanced at many different levels from this work.”

— Louis Kriesberg, Syracuse University

“This is an important and exciting book with depth as well as breadth of coverage of the role of religion and religious actors in peace building work. The diverse and rich case studies and the theme of constructively addressing ‘religious illiteracy’ should make it a useful volume for students, researchers, and a wide variety of practitioners.”

— Siobhan McEvoy-Levy, Butler University

ABOUT THE BOOK

Peace on Earth: The Role of Religion in Peace and Conflict Studies provides a critical analysis of faith and religious institutions in peacebuilding practice and pedagogy. The work captures the synergistic relationships among faith traditions and how multiple approaches to conflict transformation and peacebuilding result in a creative process that has the potential to achieve a more detailed view of peace on earth, containing breadth as well as depth. Library and bookstore shelves are filled with critiques of the negative impacts of religion in conflict scenarios. *Peace on Earth: The Role of Religion in Peace and Conflict Studies* offers an alternate view that suggests religious organizations play a more complex role in conflict than a simply negative one. Faith-based organizations, and their workers, are often found on the frontlines of conflict throughout the world, conducting conflict management and resolution activities as well as advancing peacebuilding initiatives.
