Plan of Study

This form may be initial or final. With your adviser, you should fill out this study plan **prior to starting the program and enrolling in classes**. This will help plan the number of courses you will need to complete your goals and graduate on time. You and your adviser will revisit/update this plan every semester before registration. **Keep a copy** for yourself and **send a copy** to the department for your file. Inform your adviser of any changes (e.g., drop classes) as it may affect graduation.
