

# Joint Master of Social Work Program

## Elective Approval Form

Students must complete one three-semester-hour (3 ch) graduate elective as part of the JMSW program in order to graduate.

The JMSW faculty have identified a listing of pre-approved elective students may choose from (see <http://www.jmsw.org/students/docs.html>). In addition, the student may propose an alternative elective which is consistent with the JMSW curriculum.

***Upon identifying an elective, the student must meet with their assigned advisor.*** The advisor will consult with the students regarding their elective. Upon approval of the elective by the advisor, this form must be completed. The student will then give the form to April Taylor in 268 Stone (UNCG) and the form will be placed in the student's file.

Electives must be approved ***before*** students may register for the course.
